

FROM THE PRINCIPAL

Dear Parents and Community Members,

At Liberty Elementary School, we are proud of our strong tradition of outstanding student achievement and character development. The combined efforts of our staff, parents, and the students themselves have supported the District's mission of unprecedented achievement and have resulted in solid student growth across the grade levels. This partnership has not only provided students with a structure for academic success, but has also been responsible for fostering a school culture that values all students, promotes positive relationships, and supports the growth and development of the whole child. In our continued effort to provide rigorous and effective instruction, the staff at Liberty will maintain its focus on high leverage teaching practices, particularly in regard to active engagement. This will be accomplished through Professional Learning Community work at the school level, District provided professional development, and grade

level teacher teams. In addition to the core curriculum, Liberty students will continue to receive instruction in music, PE, and art. Extracurricular activities, such as science-based assemblies and field trips, are dependent upon PTC and grant funding. We encourage parents to become involved in the PTC, volunteer on a regular basis, and spend a minimum of 20 minutes a night reading with their students.

We invite you to visit Liberty Elementary School. We are confident you will find it a fun, safe, invigorating learning environment that provides our students with pathways to reach their individual potentials!

Thank you,

Principal | Rich Sipe
