

# Wednesday Social Connections

Liberty Families,  
Starting Wednesday, January 13th we are making an effort to provide social connections for our students. They need safe opportunities to connect with their peers. Our Education Assistants have assembled a collection of times and themes that students can access for social reasons on Wednesdays only. Some are just a chance for kids to meet up with their friends. This is not mandatory, however the Health, PE, and Music times are still required. We just want to give the students an avenue to visit with each other, make friends, and connect with our staff.

Here are the links with brief descriptions:
